The following were the key highlights of the webinar:

- 
- Innovative ideas how a woman can protect herself in a dangerous situation using Lipstick Taser
- Circuit diagram & components
- How does a Lipstick Taser work as weapon of disguised self-defense?
- Financial impact of Lipstick Taser in social scenarios.
- Q&A Session

There were more than 50 participants in the session from different departments of the Institute and the session was really insightful as the students asked many different questions about this Innovation. The highlights along with some snapshots were also shared in the Facebook page which can be viewed here:
