World Earth Day Celebration Celebration Activity Quarter 3

Objective:

1. To celebrate the World Earth Day at our Institute Campus by organizing a Debate Competition to discuss the innovative measures that needs to be taken in order to combat the Global Climate Change and Environmental Crisis.

Benefits in terms of learning/skill/knowledge:

The students, staffs and the faculties of the Electrical Engineering Department in collaboration with the Institutions Innovation Council of Dr. Sudhir Chandra Sur Institute of Technology and Sports Complex celebrated the World Earth Day by organizing a Debate Competition. The brief outcomes are summarized as:

1. The students discussed and debated the measures that should be taken in order to preserve the Environment.
2. The students participated in a Debate competition to improve their oratory skills along with understanding the different ways and means to combat the global environment crisis.
