The speaker of the session was Er. Adv. Kaushik Sengupta, Deputy Director, (Mechanical), DGMS, Eastern Zone who has been closely associated with the Entrepreneurship Arena for the last decade. He himself has been working in this path for the last decade and he has helped many others also during this phase.

Er. Sengupta shared his own story of growing as an entrepreneur and encouraged the students to build up their lives and careers in an optimistic way by boosting up the inner energy of the budding innovators to find their true success. The program was very much beneficial for the budding engineers for their startup creation and to fulfill their dreams & grow as an entrepreneur.
