

Contest on Innovative Idea Presentations Self-Driven Activity Quarter I

Objective:

1. To create a competitive environment among the students to nurture the innovative ideas.

Benefits in terms of learning/skill/knowledge:

The students presented their ideas solving different problems in a time bound manner to show their abilities.

Session plan/details of the event:

The Institution Innovation Council in collaboration with the Department of Computer Science and Engineering of Dr. Sudhir Chandra Sur Institute of Technology and Sports Complex has organized a contest of Innovative Idea Presentations on 17th March, 2023 from 3 PM onwards at the Computer Science Laboratory 3 for all the students.

More than 50 enthusiastic participants in 10 different groups had attended the session. The participants presented their innovative ideas regarding the previously specified problem statements. The statements were designed to challenge the students and promote out of the box
