

Independence Day: Azaadi ka Amritkal
Celebration Activity
Quarter IV

Objective

To celebrate the Independence Day by learning new technologies.

Outcome

The students understood how the emerging technologies are reshaping Indian Construction Industry

The Institutions Innovation Council along with the Department of Civil Engineering of Dr Sudhir Chandra Sur Institute of Technology and Sports complex organised a workshop session on the software TEKLA in Association with Trimble technology Solution on 14th August 2023 to celebrate the Independence Day: Azaadi ka Amritkal.

The workshop on Tekla software was a comprehensive and informative event that aimed to provide participants with an in-depth understanding of the capabilities and applications of Tekla software in the field of structural engineering and construction. The event spanned for about 3 Hours and covered various aspects of the software's functionalities.

The details of the topic and speaker:

Workshop Topic: "Tekla software"

Date: 24th August 2023

Speaker: Mr Anshuman Pandey National Business manager Trimble Technology.

Mr Kishalay Kumar, Product specialist of Trimble solution
