Innovations in Modern Manufacturing Processes Self-Driven Activity Quarter II

Objective:

To share the innovations taking place in Modern Manufacturing Processes.

Benefits in terms of learning/skill/knowledge:

The students understood the developments and innovations taking place in the field of Modern Manufacturing Processes.

Session plan/details of the event:

The Institutions Innovation Council in collaboration with the Department of Mechanical Engineering of Dr. Sudhir Chandra Sur Institute of Technology and Sports Complex conducted an Expert Session on 20th February, 2023 from 3 PM onwards at the Institute Seminar Hall. The speaker of the session was Dr. Ranjib Biswas, Associate Professor, Department of Mechanical Engineering, Jadavpur University. The speaker briefly explained the developments

Sur**Tech**

taking place in the field of Modern Manufacturing Processes and specifically in the field of the Non-conventional Machining Processes. Nearly 75 students from the core engineering departments attended this session. This session was hugely beneficial for the students as they got the opportunities to learn the developments taking place from the expert himself.
