Date: 20/02/2019

Action Taken Report against the last meeting of IQAC Committee held on 02/07/2018

Agenda	Resolution	Action taken
Agenda 1: Introduce various professional courses	Implement various professional courses to enhance students' career opportunities and facilitate Faculty Development Programs (FDP) for employees to improve their skills. This will strengthen the academic value of the institution.	All the departments are notified to introduce some career development courses. By implementing career development courses and promoting FDP participation, the institution aims to provide students with additional opportunities for skill enhancement and career advancement while ensuring that faculty members remain well-equipped to deliver quality education.
Agenda 2: Patents related activity	Establish a system to encourage and facilitate the patenting of research and inventions to prevent plagiarism. Create a dedicated cell within the institution to support patent filing activities.	Encouraging Faculty to File Patents <ol style="list-style-type: none">Encouragement: Faculty members are encouraged to file patents for their research and inventions. This encouragement indicates institutional support for faculty innovation and intellectual property protection.Monetary and Support: The institution pledges to provide monetary transactions and other necessary support to facilitate the patent filing process. This support may include financial assistance for filing fees, legal support, or administrative assistance in navigating the patent application process.
Agenda 3 : Pre-placement training	Ensure that the institution provides holistic development opportunities for students by offering traditional education alongside career-focused training. Emphasize output-based education to equip students with the specific skills needed for job placement.	By offering these pre-placement activities, the institution equips students with the necessary skills and confidence to navigate the job market successfully, enhancing their prospects for securing employment opportunities aligned with their career aspirations.

Agenda 4: Collaboration & MOUs with industry and other institution	Foster collaboration and establish Memorandums of Understanding (MOUs) with industries and other educational institutions. This will expand the institution's network, enhance its reputation, and potentially lead to mutually beneficial partnerships.	Overall, the institution's proactive approach to expanding and reinforcing its network of MOUs underscores its dedication to fostering collaborative relationships and pursuing excellence in education, research, and innovation.
