## Action Taken Report against the last meeting of IQAC Committee held on 13/10/2021

Agenda	Resolution	Action taken
<b>Agenda01:</b> Approval of IQAC meeting held on 04/02/2021.	Principal sir invited all the individuals and welcomed within the assembly. Mr. Vivek Shaw checked on the minutes of the past assembly held on 04/02/2021.	Noted
<b>Agenda02:</b> To note and ratify the action taken report on the last IQAC meeting.	The action taken report is presented before IQAC members.	Noted.
<b>Agenda 03:</b> The initiation of regular offline education in physical mode should start in a phase wise manner.	1. The teachers and staff members are required to attend the office to 3-4 days in a week so that office is open for all the working days. The visitors who will be coming for checking the resources of the institute (the parents of the future students, guardians and their wards) should be entertained with a positive attitude. That will reflect in the admission of the current batch. It was also suggested that a Covid vaccination camp for the second dose should be conducted as required for the same group of people so that all the	Covid Measurement is followed.

	<p>government norms of Covid protocol is followed. this will surely and certainly improve the quality of the teaching learning environment of the institute.</p> <p>2. The regular classes should start and an opinion poll should be considered from the parents of the students, especially the students who are outside the state. The earlier conducted opinion poll shows that the parents are not interested to send their wards to the institute for the fear of Covid. The committee decided to exercise regular teaching practices as in offline mode. In order to ensure a healthy environment, the institute should be given a thorough cleaning. The staff members, faculties and all others should be present for all the days regularly.</p>

Respected Sir/Madam

Our institution would like to intimate the university about incorporating the changes in the curriculum. The institution has collected feedback on the curriculum from its stakeholders like Students, Faculty Members/Academicians, Alumni and Employer after completion of the semesters.

We are hereby attaching the copy of the feedback analysis and action taken report for your perusal.

Thanking you.

offered professional development opportunities such as workshops, seminars, and conferences to enhance their research skills, methodologies, and scholarly dissemination strategies. These opportunities enable faculty members to stay updated with the latest developments in their field and improve their research practices.

- **Providing Administrative Support:** Administrative assistance and support are provided to faculty members to facilitate grant applications, research project management, ethics approvals, and compliance with regulatory requirements. This ensures that faculty members can focus on their research activities without being burdened by administrative tasks.
- **Supporting Publication and Dissemination:** Faculty members are supported in publishing their research findings in peer-reviewed journals, presenting at conferences, and disseminating their work to the academic community and broader public. This helps to showcase their research achievements and contribute to the advancement of knowledge in their respective fields.
- **Recognizing and Rewarding Research Achievements:** Faculty members are recognized and rewarded for their research achievements, including publications, presentations, patents, and grants received. This recognition serves to motivate faculty members and incentivize continued excellence in research.
- **Facilitating Mentorship and Networking:** Mentorship opportunities and networking events are facilitated to connect faculty members with senior researchers, industry experts, and funding agencies. This fosters career development and collaboration opportunities, enabling faculty members to expand their professional networks and enhance their research impact.
- **Promoting Research Ethics and Integrity:** The department promotes research ethics and integrity by providing training, guidelines, and resources to ensure compliance with ethical standards and regulations in research conduct. This ensures that research activities are conducted ethically and with integrity.
- **Evaluation and Assessment:** The impact and quality of faculty research activities are evaluated and assessed through metrics such as publications, citations, research outputs, external funding, and collaborations. This helps to gauge the effectiveness of research efforts and identify areas for improvement.

- **Recognizing and Rewarding Research Achievements:** Faculty members are recognized and rewarded for their research achievements, including publications, presentations, patents, and grants received. This recognition serves to motivate faculty members and incentivize continued excellence in research.
- **Facilitating Mentorship and Networking:** Mentorship opportunities and networking events are facilitated to connect faculty members with senior researchers, industry experts, and funding agencies. This fosters career development and collaboration opportunities, enabling faculty members to expand their professional networks and enhance their research impact.
- **Promoting Research Ethics and Integrity:** The department promotes research ethics and integrity by providing training, guidelines, and resources to ensure compliance with ethical standards and regulations in research conduct. This ensures that research activities are conducted ethically and with integrity.
- **Evaluation and Assessment:** The impact and quality of faculty research activities are evaluated and assessed through metrics such as publications, citations, research outputs, external funding, and collaborations. This helps to gauge the effectiveness of research efforts and identify areas for improvement.
